Consent of Legal Guardian to Tattoo Procedure

Full name of minor _____

Date of birth _____

Tattoo placement _____

Tattoo design description _____

I, the undersigned legal guardian, expressly consent to the above procedure being performed on the minor named above at Tetovačky Praha.

I confirm that I have been informed about the tattooing procedure, its permanent nature, the healing process, aftercare instructions and possible risks, particularly infection, allergic reaction, bleeding, swelling, changes in pigmentation and scarring.

I declare that I am not aware of any health condition of the minor that could adversely affect the tattoo procedure or healing, particularly a blood-clotting disorder, diabetes, epilepsy, an immune disorder, allergies or a serious skin condition. If any such condition exists, I undertake to inform the tattoo artist before the procedure.

I undertake to ensure that the provided aftercare instructions are followed.
